Tender Title: Project Survey for Nationwide Fiber Optic Route

Dear Representative,

EDK invites qualified and reputable companies, businesses, firms, and individuals to submit proposals for This project involves conducting a Project Survey for a nationwide fiber optic route extending from South to North of Iraq, with an approximate total length of 4500 km. The survey aims to define the general route alignment, identify critical locations, and prepare indicative quantities to support design and execution phases. The required services will be based on provincial rate structures, covering a range of service categories as detailed in the official bidding documents.

How to Participate

Interested parties submit:

- Company profile
- Commercial Offer in IQD
- Technical offer
- Company registration
- Previous work
- Tender dossier

IMPORTANT: Please be informed that application to Fiber X tenders is free of charge. Fiber X doesn't request any kind of fees for tender applications. Fiber X encourages broad participation from all eligible and qualified service providers.
